OUR VISION & MISSION

Vision

- *Our Vision is to make healthcare services convenient and affordable.*
- *We believe each individual has the right to get quality and affordable healthcare facilities.*
- *Thus, we are on a mission to revolutionize the worldwide healthcare system.*
- *it's our dream to have every child, and every person in this world get quality healthcare products and treatment at an affordable rate.*

Mission

- *The Mission is to provide reliable products at an affordable cost to our target market of India, Middle-east, and Africa.*
- *Our Mission is to expand itself in the field of critical care, oncology, and Radiology divisions for providing quality and affordability.*
- *It is known that a clear direction with the right team makes one achieve incredible objectives.*
- *HSIL will soon make all these imaginary lines into reality.*

**LET'S TAKE A LOOK AT THE
PROMOTERS OF HEMANT
SURGICAL INDUSTRIES LTD.**

The Protagonist of HSIL

The managing director, *Mr Hanskumar Shamji Shah* is the Founder & Promoter of the company.

“Your dedication, determination, and vision inspire us to always give the best. We appreciate having someone like you at the helm of affairs.” –

Hanskumar Shah

Managing Director

The Front Man

Mr. Kaushik joined *HSIL* as Sales & Marketing Manager in 2007, after completing his Bachelor's Degree (in Commerce).

"He is a technology geek and known for incorporating the digital era in HSIL. Mr. Kaushik focused on transforming the business into a well-organized and digitalized one concerning his strategic planning, marketing and sales skills. Looking at his performance, Company decided to prompt his designation as one of the directors of the company in 2015."

Kaushik Shah

Managing Director

The Touch bearer

Our products are well known for their great Quality, credit goes to **Mr Hemant Praful Shah**, He is the backbone behind the technical execution of the manufacturing plants and mainly focuses on product development and research.

"We are certain that HSIL has a bright future under your guidance."

Hemant Shah

Managing Director

The Driving force behind Hemant Surgical's International success:

Meet the Backbone of our Renal care division, the Export Manager, and the supportive brain behind our sales and marketing strategies.

Vishal Thakkar

Director of Renalcare Division

Hemant Surgical Industries Ltd

CSR ACTIVITY

We have successfully done a turnkey setup of a Dialysis Centre in India with 99 units of Dialysis Machines in association with the Delhi Sikh Gurdwara Management Committee- New Delhi. This Dialysis center has Centralized Air Conditioning, 99 Units of Branded Dialysis Machines, Fully Automatic Dialysis Chairs and Beds, and also has ICU rooms with Hi-tech Medical Equipments for emergency services, Which caters to all sections of people.

During the epidemic, oxygen scarcity was a major challenge, thus HSIL provided 150 oxygen cylinder donations to the state government of Madhya Pradesh, and received a token of appreciation letter from CM Mr. Shivraj Singh Chauhan.
