Global Tie UP's

Dear Valued Stakeholders,

It is my pleasure to present the highlights of our company's progress for the 2024-2025 period. We are excited to share that our company is experiencing significant expansion across various sectors of the medical field. Initially focused on wound dressing, intravenous solutions, and haemodialysis, we have now broadened our scope to include ophthalmology, radiology, critical care, and cardiology products.

Our vision is to become a comprehensive service provider across the entire spectrum of the medical industry. Looking to the future, we aim to establish our own dialysis centres, hospitals, and a network of healthcare facilities. This expansion will not only support our marketing efforts but also enhance our ability to deliver high-quality medical care equipment and services in all fields of human treatment.

We are actively involved in manufacturing medical equipment and maintaining a close relationship with the medical community. This collaboration is crucial for refining our products and boosting sales. I am pleased to report that our focus on cost reduction has led to increased profitability. Moving forward, we are dedicated to further expanding our product portfolio and achieving substantial profits that will benefit our shareholders and investors.

A key component of our strategy is to realize our vision of localized manufacturing in India. This initiative will support the "Make in India" campaign, enabling us to export products globally. Currently, we import components from JMS Company Limited in Japan and Singapore. We have established technical collaborations with these partners and are transitioning to manufacturing their products in India, which will enhance our global presence and generate foreign exchange by exporting these products to JMS Japan.

We anticipate robust growth in both company valuation and market presence. Additionally, our new factory in Aurangabad, recently renamed Sambhaji Nagar, Maharashtra, will generate substantial business and profit in the coming year. Setting up a factory in Sambhaji Nagar, Maharashtra, offers several advantages, such as the availability of skilled manpower due to the presence of several medical, engineering, and IT colleges. The location is now connected to Mumbai via the Samruddhi Mahamarg, reducing travel time to within four hours. The government also offers an 80% subsidy on the project, which will help bring down costs and improve profitability.

In conclusion, our ambitious expansion plans and strategic initiatives are designed to position us for significant growth and long-term success. As we move forward, our commitment to innovation, cost-efficiency, and global outreach will drive our efforts to deliver exceptional value. We deeply appreciate your continued support and confidence in our vision. Together, we look forward to a future of shared success and prosperity.

Hanskumar Shamji Shah
Chairman & Managing Director

Dear Shareholders,

We are delighted to address you as we share the exciting developments and strategic advancements that HSIL has undertaken. Your trust and confidence in our company have been the cornerstone of our progress, and we are proud to present the significant milestones we have achieved.

We delivered a PAT of Rs. 979.99 lacs for the year, representing a 28% increase from the previous year. This remarkable achievement demonstrates our dedication to enhancing shareholder value.

Firstly, we are thrilled to announce that HSIL has acquired a substantial 136,000 square feet land and building, which is currently under renovation and construction according to the requirements and guidelines of AURIC Industrial Smart City, Maharashtra. This acquisition strengthens our 35-year partnership with JMS Japan and JMS Singapore and expands our manufacturing capabilities. The new facility will be pivotal for our mission to achieve 100% localization for our core product, JMS Meditape. We have placed orders for advanced equipment and utilities to ensure our production capabilities meet the highest standards. This move aligns with our commitment to excellence and innovation. In conjunction with this expansion, we are reinforcing our technical collaboration with JMS Japan and JMS Singapore. This step will enhance competitiveness and affordability for hospitals and end users, boosting our sales and brand presence. We are pleased to announce that JMS Singapore products will be 100% localized in India, bringing economic competitiveness among other brands. We have already placed orders for injection moulding machines from the highly reputed Japanese manufacturer Fanuc. The moulds are also being designed and developed under JMS's monitoring and guidance to ensure they meet global standards.

HSIL has recently inaugurated a state-of-the-art dialysis centre in Santa Rita, Philippines. This facility is fully operational and is poised to generate revenue through its comprehensive dialysis services. We are managing the entire dialysis system with our local partners and management, ensuring the highest quality of treatment. Furthermore, we have plans for two additional centres, for which we have obtained licenses and necessary approvals. These centres are expected to be operational by the end of December 2024, reflecting our commitment to expanding our healthcare services internationally.

We are also excited to announce our expansion into the Cardiovascular, Ophthalmology, Radiology and Criticare verticals. HSIL has successfully registered over 92 products with licensing authorities and has commenced manufacturing these products in India, with acceptance from reputable hospitals and organizations. This expansion will boost our sales and revenues, complemented by our growing portfolio in various medical fields. We have onboarded brands such as Shwaa in anaesthesia and ventilator workstations, Zone Care 3 and 12-Channel ECG in radiology, and we have onboarded top Japanese brands, including KAI, TAKAGI, and NEITZ, in the ophthalmology vertical.

HSIL's new digital eCommerce platform will launch in November 2024. We have purchased new office premises equipped with advanced, high-end systems to ensure the smooth functioning of our eCommerce platform. We are targeting both domestic and international markets to increase sales of healthcare

consumables, medical disposables, dialysis equipment, anaesthesia supplies, and ventilator workstations. This platform will provide opportunities for non-marketing manufacturers and new start-ups to sell their products digitally.

Our global expansion is equally impressive. We are extending our business into key overseas markets, particularly in Asia, Africa, and the Middle East, and are also working effectively on other potential markets. Our export growth highlights our commitment to global presence and market diversification

As we reflect on these achievements, we want to express our deepest gratitude to you, our shareholders. Your unwavering support has been crucial to our success. We remain committed to delivering sustained value and look forward to the exciting opportunities ahead.

Thank you for being an integral part of HSIL's success. Together, we will continue to drive innovation and excellence.

Industry Overview

India is the 4th largest Asian medical devices market after Japan, China, and South Korea, and among the top 20 medical devices markets globally.

Gujarat, Maharashtra, Karnataka, Haryana, Andhra Pradesh, Telangana and Tamil Nadu are the manufacturing hubs for medical devices in India.

India's medical devices market is projected to reach US\$ 50 billion by 2025. Between 2020-25, diagnostic imaging is likely to expand at a CAGR of 13.5%.

The Government of India (GOI) has commenced various initiatives to strengthen the medical devices sector, with emphasis on research and development (R&D) and 100% FDI for medical devices to boost the market.

The Indian medical devices industry was granted the status of an 'Independent Industry' in 2014, and given the title of 'sunrise' sector under the Make in India scheme in 2014. FDI Inflow in the medical and surgical appliances sector stood at US\$ 2.41 billion between April 2000-March 2022.

A vast medical device park is planned to open in Noida, bringing in a total investment of Rs. 5,250 crores (US\$ 705.38 million) by the government, & employ 20,000 people.

The Production Linked Incentive Scheme (PLI) Promoting Domestic Manufacturing of Medical Devices and Production Linked Incentive Scheme for Pharmaceuticals (PLI 2.0) have been introduced to provide an impetus to India's vision of becoming a global manufacturing hub for medical devices.

India has a 75-80% import dependency on medical devices, with exports of US\$ 2.53 billion in FY21, which is expected to increase at a CAGR of 41% to reach US\$ 10 billion by 2025..

The e-health market size of Healthcare industry is estimated to reach US\$ 10.6 billion by 2025.

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1) As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is not in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations on its financial position in its Financial Statements.
 - ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - iii. There was no amount which was required to be transferred to the Investor Education and Protection Fund by the company.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
(b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
(c) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
 - v. The company has not declared or paid any dividend during the year.
 - vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the year ended 31st March, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from 1st April, 2023, reporting under Rule 11 (g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended 31st March, 2024.

- 2) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure “A” to the Independent Auditor’s Report

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **HEMANT SURGICAL INDUSTRIES LIMITED** (“the Company”) as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A

company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2024

Note: - 1

Company Background:

Hemant surgical Industries limited is a limited company, incorporated on 27/03/1989 with the main object of Importing, manufacturing, and marketing quality surgical and pharmaceutical products.

SIGNIFICANT ACCOUNTING POLICIES:

The Financial Statements are prepared to comply in all material aspects with the applicable accounting principles in India, the accounting standards issued by the Institute of Chartered Accountants of India and the relevant provisions of the Companies Act, 2013.

Basis of Preparation:

The financial statements have been prepared and presented under the historical cost convention on the accrual basis of accounting and comply with the Accounting Standards issued by the Institute of Chartered Accountants of India and the relevant provisions of the Companies Act, 2013, to the extent applicable. The financials statements are presented in Lakhs, unless otherwise stated

During the year, the figures of the previous year have been regrouped and recast wherever necessary to confirm to the groupings of the current year.

Use of Estimates:

The preparation of the financial statements in conformity with the Generally Accepted Accounting Principles (GAAP) requires the management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent assets and liabilities. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of the financial statements. Actual results may differ from the estimates and assumptions used in preparing the accompanying financial statements. Any differences of actual results to such estimates are recognized in the period in which the results are known / materialized.

Revenue Recognition:

Revenue / Income and Cost / Expenditure are generally accounted on accrual basis as they are earned or incurred except in case of significant uncertainties. Revenue is measured at the fair value of consideration received or receivable taking into account contractually defined terms of payment. Sales comprise of sale of services.

Property, Plant & Equipment and Intangible asset and Depreciation:

Property, Plant and Equipments and Intangible asset are stated at cost, less accumulated depreciation and impairment loss, if any. Cost comprises the purchase price and the costs, which are attributable for bringing the asset to its working condition, for its intended use.

Depreciation on Property, Plant and Equipments and Intangible asset is provided on Straight Line Method based on the useful life estimated by the management and as per the depreciation rate specified below:

Particulars	Useful Life
Land	-
Factory Building	30
Other than Factory building	60
Plant & Machinery	15

Vehicle: Motor cycle, bike & scooter	10
Vehicle: Motor car, tempo, lorries	8
Office Equipment's	5
Furniture & Fixture	10
Computers	3

Depreciation on the Property, Plant and Equipments and Intangible asset added/disposed off/discarded during the year is provided on pro rata basis with reference to the month of addition/disposal/discarding.

Impairment of Assets:

In accordance with AS 28 'Impairment of Assets' issued by the Institute of Chartered Accountants of India, the carrying amounts of the Company's assets are reviewed at each balance sheet date to determine whether there is any impairment. The recoverable amount of the assets (or where applicable, that of the cash generating unit to which the asset belongs) is estimated as the higher of its net selling price and its value in use. An impairment loss is recognized whenever the carrying amount of an asset or a cash generating unit exceeds its recoverable amount. Impairment loss is recognized in the Statement of Profit and Loss or against revaluation surplus where applicable.

Investments:

- i) Current investments are carried at the lower of cost or quoted / fair value, computed category wise.
- ii) Non-Current Investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary in the opinion of the management.
- iii) Investments held for Sale comprising of assets and liabilities are classified as 'held for sale / Current Investments' when all of the following criteria's are met:
 - a) Decision has been made to sell.
 - b) The assets are available for immediate sale in its present condition.
 - c) The assets are being actively marketed and
 - d) Sale has been agreed or is expected to be concluded within 12 months of the Balance Sheet date.

Taxation:

Income tax expenses comprises of Current Income Tax and Deferred Tax.

Current Taxes:

Provision for current income-tax is recognized in accordance with the provisions of the Income Tax Act, 1961 and is made annually based on the tax liability after taking credit for tax allowances and exemptions.

Provisions & Contingencies:

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources embodying economic benefits and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Employee Benefits:

Contributions to Provident Fund, being a Defined Contribution Plan, are accounted on accrual basis and charged to the Profit & Loss account for the year. Gratuity is accounted based on the Gratuity Report from Actuary. Bonus and leave encashment are accounted on payment basis.

Inventories:

The inventories are valued at cost or net realizable value, whichever is lower and the cost is arrived as follows:

- i) Raw-materials cost is at landing cost inclusive of all attributable expenses and is computed on Weighted Average Cost Basis.
- ii) Work-in progress and finished goods cost include material cost, cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

Borrowing Costs:

According to AS-16 Borrowing costs, issued by the Institute of Chartered Accountants of India, borrowing costs that are directly attributable to the acquisition of qualifying assets are capitalized for the period until the asset is ready for its intended use.

A qualifying asset being, an asset that necessarily takes a substantial period of time to get ready for its intended use.

Other borrowing costs are recognized as an expense in the period in which they are incurred.

Events occurring after Balance Sheet Date:

Events accruing after Balance Sheet Date have been considered in preparation of Financial Statement.

Extraordinary Items:

There are no such items noted which are Extra Ordinary in nature and at the same time which materially affect the financial statement being certified here.

Foreign Exchange Transactions/Translation

Foreign currency transactions and balances:

(i) Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(ii) Conversion:

Foreign Currency monetary items are retranslated using the exchange rate prevailing at the reporting date.

(iii) Exchange Differences:

Exchange differences arising on long-term foreign currency monetary items related to acquisition of a fixed asset are capitalized and depreciated over the remaining useful life of the asset. The exchange differences on other foreign currency monetary items are accumulated in 'Foreign Currency Monetary Item Translation Difference Account' and amortized over the remaining life of the concerned monetary item.

All other exchange differences are recognized as income or as expenses in the period in which they arise.

Cash Flow Statement:

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future, operating cash receipts or payments and item of income or expenses associated with investing and financing cash flows. The cash flows from Operating, Investing and Financing activities of the Company are segregated.
